

Northern Lights Soccer Club has partnered with Green Valley Greenhouse to offer you a great way to raise funds. All profits, with the exception of \$3.00, will go directly to your soccer account to pay for your soccer registration, tournaments, additional training, or apparel for the 2010 season. The first \$3.00 of your profit will go back to the club to pay fees related to the fundraiser.

We just completed the Holiday Fundraiser and participants raised over \$2,380.00 total. We had a few players that made enough money to pay all of their registration fees. Once again, the plants proved to be absolutely beautiful, more than anyone expected.
