Baseball Traveling Tournament Schedule 2008

Anoka Ramsey Baseball is pleased to offer for the first time pre-registration of two tournaments for our traveling teams. By doing this each team will:

1. Be guaranteed to be entered in at least 2 Gopher State qualifiers
2. Be able to communicate to parents tournament weekends prior to registration and tryouts
3. Have lower tournament fees

In years past, it has always been difficult for each team and coach to enter Gopher State qualifiers due to our process of coach selection and team formation. This process was decided upon by the baseball committee to make it easier not only for coaches but families to plan their summer weekends and to enter our teams in premier tournaments throughout the State. It is strongly encouraged that each team will enter at least one additional tournament on their own over and above those selected for them. Each traveling team will be required to enter their respective league season ending tournament; if invited, and to reimburse Anoka Ramsey Baseball the fees of the pre-selected tournaments they are scheduled to attend.
